

# Son Joins Mother's Firm, Lampe Asset Management

PITTSBURGH, August 2007 – Jason Lampe has joined Lampe Asset Management, a financial planning firm based in Pittsburgh, Pennsylvania, owned and operated by Carol K. Lampe, CFP®. The mother-and-son team advises personal clients on financial planning and investment management matters. Ms. Lampe says, "I have been advising clients about succession planning for years, and to have my own son join and train in the firm is our best case scenario." That said, Ms. Lampe isn't retiring to the beach anytime soon, but is excited about providing the opportunity for Jason to grow in the field the way she did.

Mr. Lampe has had extensive training in financial planning and holds a Series 7 license with the NASD. Before officially joining Lampe Asset Management in January, 2006, Mr. Lampe had a successful career in business development and finance with Barnes & Noble.com at the company's headquarters in New York City. Prior to Barnes & Noble, Mr. Lampe co-founded and managed a sales and distribution firm based in Los Angeles. He holds a bachelor's degree in Marketing and International Business from the University of Colorado at Boulder.
