

Allegheny Advisor Carol Lampe of Lampe Asset Management Among Top Wealth Managers

Pittsburgh Magazine survey of 41,000 area residents rated satisfaction with advisors

An extensive survey of Pittsburgh-area residents with high net worth has identified Carol K. Lampe, CFP®, of Lampe Asset Management and twelve other advisors affiliated with Allegheny Financial Group among the region's top wealth managers on the basis of clients' satisfaction.

The independent survey, sponsored by *Pittsburgh Magazine*, ranked financial planners, accountants, tax advisors, insurance agents, bankers and other professional financial advisors on performance in relation to nine criteria—customer service, integrity, knowledge & expertise, communications, value for fee, meeting of objectives, post-sale service, quality of recommendations and overall satisfaction.

The top performers identified from the survey were named to the magazine's list of *Five-Star Wealth Managers* by a panel of independent, industry judges.

“Carol's experience is second to none. She has guided clients through many different market environments, always knowing just the right amount of attention each client needs and guiding them confidently. The survey results speak to her abilities and Allegheny is proud of her,” said Allegheny Senior Vice President David Jeter.

In all, the *Five-Star* designation was awarded to fewer than seven percent of all financial advisors in the region. A description of the survey and its methodology appeared in the July 2009 issue of *Pittsburgh Magazine*.
